To access more settings options, select the \( \bigcirc \) icon.

Google Play™

Google Play™ is a digital content experience from Google where you can find and enjoy your favorite music, movies, TV shows, books, and Android™ apps and games. It’s your entertainment hub: you can access it from the web or from your Android device, and all your content is instantly available across your devices.
**Legal information**

**FCC Part 15:**
This equipment has been tested and found to comply with the requirements for a Class B digital device under Part 15 of the Federal Communications Commission (FCC) Rules. These requirements are intended to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
- **Reorient or relocate the receiving antenna.**
- **Increase the separation between the equipment and receiver.**
- **Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.**
- **Consult the dealer or an experienced radio/TV technician for help.**

Do not attempt to modify or repair this equipment. Warning: Changes or modifications to this equipment not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
1. **The device may not cause harmful interference, and**
2. **The device must accept any interference received, including interference that may cause undesired operation.**

**Battery Disposal & Recycle**

This device contains a lithium-ion battery. The battery must be recycled or disposed of properly. Contact your local waste management office for information on battery recycling or disposal. 1-800-822-8837

**Limited warranty**
