Using the wireless Bluetooth® keyboard

Turning the keyboard on/off
Slide the switch as shown below, the indicator light will briefly turn on.

Pairing the keyboard to the tablet
1. Turn on the keyboard.
2. Press the ‘Pair’ button, then the Bluetooth indicator light will blink, and the keyboard is ready to pair with the tablet.

Charging the keyboard:
Connect the keyboard to a wall outlet using the included charger and Micro USB cable, or to a computer using the included Micro USB cable.
