Care & safety precautions

- During charging, keep your device and charger near room temperature for efficient battery charging.
- New batteries are not fully charged.
- New batteries or batteries stored for a long time may take more time to charge.
- The included charger is intended for indoor use only.
- Service should only be provided by an authorized service provider.
- Never attempt to disassemble, repair or modify the tablet yourself.
- Do not use the tablet in rain or other wet locations.
- Avoid spilling any liquid on the tablet.
- In case the tablet gets wet, unplug all cables and turn off the tablet.
- Do not attempt to dry the tablet with an external heat source.
- Unplug all cables and turn off the tablet before cleaning.
- Use a soft, lint-free cloth to clean the tablet and display.
- Avoid getting moisture in open ports.
- Do not use household cleaners, solvents, alcohol, or abrasives to clean the tablet.
- Routinely check the tablet for proper and safe conditions. If there is any damage, or broken parts, remove the tablet from use.
- If for any reason the screen (display) is fractured or cracked, immediately remove this product from use and contact Customer Support.
- It is rare but possible for seizures to be triggered by light flashes or patterns such as those on computer or TV screens. To reduce exposure to this potential hazard, play/watch in a well-lit room, sit an appropriate distance from the screen and take 10- to 15-minute breaks every hour.
- Cords could be a strangulation hazard.
- Keep out of reach of children under 3 years of age.
- Children pulling on the cord could cause the computer monitor or other equipment to which the device is connected to fall with possibility of property damage, serious injury, or death. Adult supervision required during use.
- Long-term exposure to loud sounds, at high volume, may result in permanent hearing loss.
- When using headphones or earbuds, it is recommended that the product is listened to at lower volumes for shorter periods of time. Set the volume while in a quiet environment, turn the volume down if you cannot hear the people speaking near you.
- Limit the listening time to 90 minutes, followed by a quiet period. The louder the volume, the less time required before your hearing may be affected.
- If you experience ringing in your ears or hear muffled speech, stop listening and have your hearing checked.

WARNING: TO REDUCE THE RISK OF FIRE OR ELECTRICAL SHOCK, DO NOT EXPOSE THIS PRODUCT TO RAIN OR MOISTURE.

<p>THE LIGHTNING FLASH WITH ARROWHEAD SYMBOL, WITHIN AN EQUILATERAL TRIANGLE, IS INTENDED TO ALERT THE USER TO THE PRESENCE OF UNINSULATED "DANGEROUS VOLTAGE" WITHIN THE PRODUCT'S ENCLOSURE THAT MAY BE OF SUFFICIENT MAGNITUDE TO CONSTITUTE A RISK OF ELECTRICAL SHOCK TO PERSONS.</p>	<p>WARNING: TO REDUCE THE RISK OF ELECTRIC SHOCK, DO NOT REMOVE COVER (OR BACK).</p> <p>NO USER SERVICEABLE PARTS INSIDE. REFER SERVICING TO QUALIFIED SERVICE PERSONNEL.</p>	<p>THE EXCLAMATION POINT WITHIN THE EQUILATERAL TRIANGLE IS INTENDED TO ALERT THE USER TO THE PRESENCE OF IMPORTANT OPERATING AND MAINTENANCE (SERVICING) INSTRUCTIONS IN THE LITERATURE ACCOMPANYING THE PRODUCT.</p>

Charging

i Battery Tips:

- Turn off Wi-Fi when it's not in use.
- Lock the tablet (turning the display off) to shorten charging time.
- To optimize battery time and performance, adjust the "Brightness" and "Screen timeout" options in the Settings panel.
- It is recommended to keep the brightness level at 50% or under if the tablet is in use while charging.

Power ON / OFF

Turning on the tablet

Press & hold the button until the startup screen appears.

Power off the tablet

Press & hold the button until the "Power off" option appears.

Lock the tablet (standby)

Briefly press the button. (Lock the tablet to conserve the battery).

Unlock the tablet

Briefly press the button, and slide the Lock icon up.

Turning on

- ① Press and hold the Power button to get started.
- ② Follow the initial setup wizard prompts.
- ③ To use the Google Play Store, sign into or create a Google account.
- ④ Set up Google Family Link.

i If you use Gmail™, you already have a Google account — if not, you can create an account now.

i

- View time spent in apps
- Manage the apps they use
- Set limits on screen time
- Lock & locate their device

Google Play

Google Play is a digital content experience from Google where you can find and enjoy your favorite music, movies, TV shows, books, and Android™ apps and games. It's your entertainment hub: you can access it from the web or from your Android device, and all your content is instantly available across your devices.

Expanding the storage

Inserting a Micro SD card

To install a Micro SD card into the tablet, carefully insert the card as shown below into the card slot until it clicks and locks into place.

To remove the Micro SD card, gently press it inward to eject.

Transferring files

1 Connect the tablet to the computer using the included Micro USB cable as shown below.

2 Tap the notification on the tablet screen.

3 Select "Transfer files".

4 The internal storage of the tablet will appear on your PC.

Miscellaneous

Reset

If the tablet malfunctions or freezes, you can use the Reset button to restart it.

To reset the tablet, take a metal pin (such as the end of a paper clip) and gently push the recessed Reset button on the back of the tablet as shown below.

Tablet (TOP)

The tablet will restart.

Text-To-Speech

Google Text-to-speech powers applications to read the text on your screen aloud. For example, it can be used by:

- Google Play Books to 'Read Aloud' your favorite book
- Google Translate to speak translations aloud so that you can hear the pronunciation of a word
- TalkBack and accessibility applications for spoken feedback across your device
- ... and many other applications in the Play Store

To use Google Text-to-speech on your Android device, go to **Settings>System>Languages & Input>Advanced>Text-to-speech output**. Select **Google Text-to-speech Engine** as your preferred engine.

For more information regarding TTS, please go to: www.southerntelecom.com/tts_tabletsupport.html

Regulatory information

To view FCC regulatory information for this tablet, go to **Settings > System > About Tablet > Regulatory Information**.

Legal information

FCC Part 15:
This equipment has been tested and found to comply with the requirements for a Class B digital device under Part 15 of the Federal Communications Commission (FCC) rules. These requirements are intended to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Re-orient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Do not attempt to repair or modify this equipment. Warning: Changes or modifications to this equipment not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
*This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) this device may not cause harmful interference, and
(2) this device must accept any interference received, including interference that may cause undesired operation.*

Shielded USB cables must be used with this unit to ensure compliance with the Class B FCC limits.

Information Regarding Exposure to Radio Frequency Energy
Your device is designed and manufactured not to exceed the emission limits for exposure to RF energy set by the Federal Communications Commission of the United States (FCC). Information on your device is on file with the FCC and can be found under the Display Grant section of <http://www.fcc.gov/oet/ea/> after searching on the FCC ID for your Device, which can be found on the back of the Device.

If your electronic device has internal memory on which personal or other confidential data may be stored, you may want to perform a data sanitization process before you dispose of your device to assure another party cannot access your personal data. Data sanitization varies by the type of product and its software, and you may want to research the best sanitization process for your device before disposal. You may also check with your local recycling facility to determine their data sanitization procedures during the recycling process.

Specific Absorption Rate (SAR)
This device meets the government's requirements for exposure to radio waves. The Specific Absorption Rate (SAR) limit set by the FCC is 1.6W/kg. The highest SAR value reported to the FCC for this device is 1.358W/kg and complies with this limit.

IC Statement
This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions:
(1) This device may not cause interference, and
(2) This device must accept any interference, including interference that may cause undesired operation of the device.

This equipment complies with IC radiation exposure limits set forth for an uncontrolled environment. End user must follow the specific operating instructions for satisfying RF exposure compliance. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

These requirements set a SAR limit of 1.6 W/kg averaged over one gram of tissue. The highest SAR value for this model phone when tested for use at the ear is 0.532 W/kg and when worn on the body is 1.054 W/kg. This device was tested for typical body-worn operations. To comply with RF exposure requirements, a minimum separation distance of 10mm must be maintained

between the user's body and the handset, including the antenna. Third-party belt-clips, holsters, and similar accessories used by this device should not contain any metallic components. Body-worn accessories that do not meet these requirements may not comply with RF exposure requirements and should be avoided. Use only the supplied or an approved antenna.

Battery Disposal & Recycle
This device contains a Lithium-ion battery. The battery must be recycled or disposed of properly. Contact your local waste management office for information on battery recycling or disposal. ☎1-800-822-8837
